## About the 【OSHI NO KO】 products

### ■ “【OSHI NO KO】 × LICCA Doll”

#### <Product Features>

- LICCA doll is dressed up as “Ai,” the center of the idol group “B-KOMACHI” in the story. This product features a special design that is unique to collaborations. LICCA is given not only the hairstyle, idol attire, and bunny hair-ribbon, but also the stars in her eyes, which are impressive in the story.
- To better approximate the special color of Ai’s hair, two colors have been used to enhance the effect. Effort has also been put into accurately reproducing the splendor of Ai’s attire that appears in the TV animation by creating the sense of volume for the skirt and carefully selecting a different fabric for each layer.
- As much as possible, LICCA has been given the color and design of the hairstyle and attire so that fans of 【OSHI NO KO】 can appreciate it while falling into the world view of LICCA doll.

### ■ About “Tomica”

“Tomica” was released in 1970 as Japan’s first palm-sized domestic die-cast miniature car series. At the time when foreign-made miniature cars were at the height of popularity, it was born out of a burning desire to see Japanese children playing with more familiar Japanese miniature cars. It is now loved by parents and children across three generations. Up to now, we have sold more than 1,140 different types of cars, a total of more than 725 million cars (As of April 2023).

The “Dream TOMICA” series was launched in 2012, with “Tomica collaborations that you dreamed of!” as its concept. It incorporates popular content that appeals to a wide range of target demographics. It celebrated its tenth anniversary in 2022.
