The ANIA "Zootopia 2" Special Set includes the figurines of "Nick Wilde," "Judy Hopps," and "Gary De'Snake," who makes his first appearance in "Zootopia 2". The "Nick Wilde" figurine is depicted wearing a police badge after graduating from the police academy, and "Judy Hopps" is featured in the outfit she wears in scenes from the upcoming release. The range of motion in the joints has been increased compared to regular ANIA figures, allowing for detailed poses such as placing hands on the hips or holding small items. Additionally, attention has been paid to the appearance not just from the front, but from the side and overall, including details like the legs and the fullness of the backside. A background sheet depicting a scene from the movie is included, allowing users to recreate movie scenes with each character's distinctive expressions and poses.

The four single ANIA "Zootopia" figures feature popular characters from "Zootopia": "Nick Wilde," "Judy Hopps," "Finnick," and "Clawhauser." Each figure comes with an iconic item from scenes the character appears in, such as a popsicle, a carrot-shaped recorder pen, a baby stroller, and a donut. These accessories allow users recreate their favourite movie scenes at their fingertips.

Both the Special Set and the single products are appealing because they allow users to recreate and play with scenes from the movie or display them as decorations. Furthermore, by playing with various animal figures available in the “ANIA” series, users can enjoy creating their own world of “Zootopia” in line with the movie’s release.
