Turn Structure

- Up Phase**
- Draw Phase**  
Draw two cards.  
(The first player draws only one card on the very first turn.)
- Ener Phase**  
You can put a card in your hand, or a SIGNI on your field, into your Ener Zone.
- Grow Phase**
- Main Phase**
  - Put a SIGNI on your field from your hand.
  - Use a PIECE, Spell, or *Action* ability.
  - Grow an Assist LRIG.
  - Put 1-3 SIGNI from your field into its owner's trash (once per turn.)
- Attack Phase**  
(The first player skips this phase on the very first turn.)
  - Pre-Attack Step
  - Defense Step
  - SIGNI Attack Step (One at a time.)
  - LRIG Attack Step
  - Guard Step
- End Phase**  
Discard cards until you have six in your hand.

Detailed rules and questions regarding individual cards can be viewed on the official site.
