help Pooh.

Pooh's tummy is
so full that he can't get
through the hole.

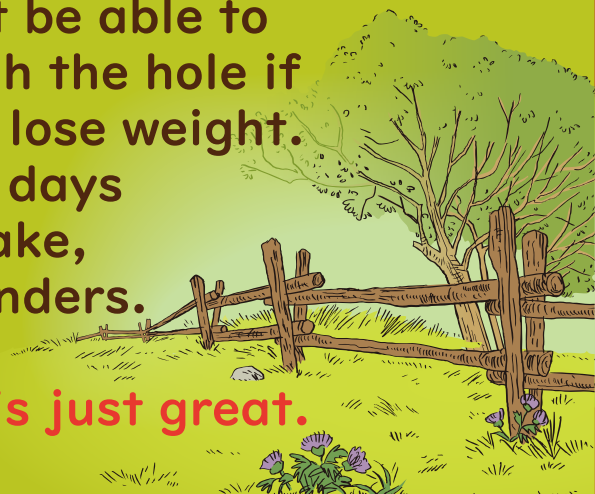

I'm stuck.

All his friends are
worried.

Oh, d-d-d-dear.

Pooh won't be able to get through the hole if he doesn't lose weight. How many days will that take, Eeyore wonders.

Well, this is just great.

Pooh wants to get out of the hole as soon as possible.

Tigger comes bouncing along to see Pooh.

I'm Tigger!
Hoo-hoo-hoo-hoo!

Press the buttons in the holes!
